## Litchfield Middle/High School Athletic Code of Conduct

\*\* The policies and procedures contained in the Code of Conduct are in addition to all policies, rules, regulations and guidelines outlined in the Litchfield High School Student Handbook. Athletics at Litchfield will not tolerate bullying and will fully adhere to the bullying policy for the district both during and after sports related events. \*\*

### Litchfield Athletics Mission Statement

- To represent yourself and your community in a respectable fashion on and off the playing field.
- To dedicate one's self to the sport and the team.
- To compete at the highest level possible in practices and games.
- To provide positive support for team members.
- Athletes are encouraged to attend each off-season workout, practice and game within the year.

### *Athletic Philosophy:*

The administration and athletic staff of Litchfield Community Schools considers athletics a privilege and an integral part of the school's program of education which provides experiences that will aid in the physical, mental and emotional development of young athletes. The athletic program shall be so directed that the welfare of all students will be in the guiding principles.

We recognize and encourage the elements of competition and the desire to win as a healthy ingredient in the program. This is considered to be educationally and psychologically sound because of the training it offers for living in a competitive society. However, it must be controlled to the point that it does not become the overriding goal of the program.

To the degree that physical fitness, social conduct, and moral qualities represent this standard of society it is the purpose of the athletic program, through athletic philosophy, objectives, and athletic code of conduct, to provide direction to accomplish this end.

### 24-HOUR COURTESY

The following sequence is to be followed for any and all complaints:

Sportsmanship is a collaborative effort between coaches, parents, and players. **Please allow a 24-hour cooling off period** before discussing an athletic concern, problem, or occurrence. If a satisfactory resolution is not reached with the coach, then a conference with the Athletic Director, Parent, and Coach will be arranged. If a satisfactory solution is not reached at the conference, a meeting with the Superintendent, Principal, and Athletic Director (if needed) will be scheduled.

It is the expectation of Litchfield Community Schools that participants and spectators exhibit appropriate decorum. Positive support of individual players and the team is encouraged. Negative behavior that detracts from the positive experience athletes can provide is not acceptable. Participants and spectators exhibiting

disruptive and/or negative behavior may be removed from the premises. Persons exhibiting repeated negative behavior could be restricted from attendance at school events.

### **Objectives of the Athletic Program**

1. Educationally sound: to provide a program that is consistent with and integrated into the total educational program.
2. Participation: to provide an opportunity for as many students as possible to participate in interscholastic athletics.
3. Competition: to develop the winning ability, spirit, and sportsmanship in our teams while competing against schools of the same caliber and classification.
4. Athletic skill development: to develop the individual athlete, physically, and fundamentally to their highest potential.
5. Leaders: to develop leadership qualities in all capable athletes.

### **Athletic Regulations**

We, who are vitally concerned with the education development of youth through athletics, feel that a properly controlled and organized program of athletics meets the students' needs for mental, physical, and social growth. It is our hope to maintain a program of athletics that is sound in purpose and never loses sight of the fact that athletics are provided for students to further their educational maturity.

### **Athletic Regulations Cont.**

As it is vital to instill a healthy competitive element within each sport, there is a tiered approach in the manner that LCS constructs such growth and development in our athletic programming. The following is how LCS playing time is regulated and the standard for tryouts/cuts.

#### Playing Time for Contests:

Middle School Athletes  
*(All participate as eligible, but not equal playing time)*

Jr. Varsity Athletes  
*(Limited playing time as eligible)*

Varsity Athletes  
*(Playing time based upon proven performance as eligible - some may not receive playing time)*

#### Tryouts/Cuts for Team Membership:

Tryouts will be held for each Varsity sport at LCS, with the exception of cross country and track. The finalists who make the team will be notified by a posting of the player's names outside of the athletic director's office door.

Cuts will be made at the discretion of the head coach and will be based on the desire to have the best players possible. All students are encouraged to practice off season to ensure that they have the best chance to make the team. The following are the numbers permitted per each team for a given sport during regular season play:

- **Football: 30**
- **Volleyball: 12**
- **Cheerleading (football): 10**
- **Cheerleading (basketball): 8**
- **Cross Country: NA**
- **Girls & Boys Basketball: 12**
- **Track: NA**
- **Baseball: 18**
- **Softball: 18**

\*\*\*Note: If enough players are available to form a Jr. Varsity team, per the athletic director and school administration's discretion, players who do not make the varsity team may be invited to participate on the Jr. Varsity team as such opportunities are created.

### **Eligibility Rules**

This gives the office time to call and get verbal approval from the student's parents. It has to be approved by the administration. If this procedure is not followed, the student athlete will not participate in the next contest.

### **Beliefs, Expectations, and Thoughts From The Athletic Director**

I have a few basic expectations of the participants on our athletic program.

From my coaches I expect:

- a. An emphasis on discipline.
- b. Control of player. I expect them to have control during practices and at contests.
- c. Awareness of their player's school attendance and academic eligibility.
- d. The teaching and stressing of fundamentals at the early level of the game (Jr. Pro, Junior High, and somewhat at the Junior Varsity level) so that players reach the varsity level with a strong foundation of basic skills and can move on to the intricacies of the game.
- e. To come to me with concerns, questions, and problems so that I am never caught unaware.
- f. To have a positive attitude regardless of win/loss record.
- g. To display good sportsmanship.
- h. To be uplifted and represented in a positive way at award ceremonies.

From the players I expect:

- a. To attend all practices and games (unless ill) and to arrive on time.
- b. To use practices as learning times and not time to horse around.
- c. To accept their role on the team and to understand there truly is no "I" in team.
- d. To sit together as a team while watching and supporting the other team (JV supports Varsity and visa versa).
- e. To understand the meaning of making a commitment to their coach and their teammates.
- f. To have a positive attitude regardless of win/loss record.
- g. To display good sportsmanship.

From the fans and spectators I expect:

- a. To display good sportsmanship.
- b. To have a positive attitude regardless of win/loss records.
- c. To not belittle officials, coaches, or athletes (ours or theirs)
- d. To understand that you have not attended every practice, or heard the coaching that is taking place during a game, and that there may, indeed, be a reason for what the coach is doing or not doing
- e. To understand that everyone involved is trying their best; that everyone can have an off night: and that these are still kids involved and it is a game.

My last expectation is to understand that no matter what the outcome of a game, there is always something for us to take pride in.

## BE A FAN, NOT A FANATIC

Litchfield Community Schools in conjunction with the South Central Athletic Association, Michigan High School Athletic Association, and the National Federation of High Schools will help encourage positive citizenship and sportsmanship at all sporting events.

All who enter a Litchfield athletic contest agree to:

- Let officials officiate
- Let coaches coach
- Let players play
- Treat all who are involved with the utmost respect and courtesy
- Accept no taunting, baiting, or trash talking among coaches, players, and fans
- Cheer with pride for accomplishments and ignore mistakes of all participants

### Make Sportsmanship a Priority

In every facet of our lives we have an opportunity to exercise the fundamentals of good sportsmanship. As coaches, athletes, and fans we set the tone and lead the way. Good sportsmanship is both our greatest accomplishment and greatest gift to our middle and high school athletic experiences. Make good sportsmanship a priority in our lives and a staple of Litchfield, SCAA, MHSAA, and NFHS competition.

### 24-hour courtesy

Sportsmanship is a collaborative effort between coaches, parents, and players.

**Please allow a 24- hour cooling off period** before discussing an athletic concern, problem, or occurrence. If a satisfactory resolution is not reached, a conference with the Athletic Director, Parent, and Coach will be arranged. If a satisfactory solution is not reached at the conference, a meeting with the Superintendent, Principal, and Athletic Director (if needed) will be scheduled.

It is the expectation of Litchfield Community Schools that participants and spectators exhibit appropriate decorum. Positive support of individual players and the team is encouraged. Negative behavior that detracts from the positive experience athletes can provide is not acceptable. Participants and spectators exhibiting disruptive and/or negative behavior may be removed from the premises. Persons exhibiting repeated negative behavior could be restricted from attendance at school events.

### **Season passes for Home Athletic Events**

- A family pass may be purchased for \$100 for all seasons. A family pass is for immediate family members only living within the household (including college students).
- A five member (or more) family living in the same household attending one game, without a family pass, will be charged \$15/per family, per game.
- A single adult pass may be purchased for \$50 per all season Athletic pass.
- Student passes for grades 7-12 may be purchased at a cost of \$25.
- Passes do not apply to district, regional, tournament events or away games.

## **Administrative Eligibility/Sports Physical Form**

Before a student can practice with or participate in the athletic programs offered by Litchfield Community Schools, the student must have on file with the Athletic Director, the Medical History/Physical Form and Student/Parent Contract. The Medical History/Physical Form is available with the Athletic Director's secretary located in the administration office.

1. The physical form must state that the student has satisfactorily passed a physical examination for the present school year and be signed by a licensed M.D. or D.O. after April 15<sup>th</sup> preceding the start of the fall season. ## Code of Ethics – Athletes

All school activities, curricular, and extra-curricular, in the classroom and on the playing field, must be congruent with the school’s stated goals and objectives established for the intellectual, physical, social, and moral development of its students. It is within this context that the following code of ethics is presented. As an athlete, I understand that it is my responsibility to ...

1. Maintain good attendance determined by our Principal, Dr. Corey Helgesen.
2. Place academic achievement at the highest priority and be on track for graduation.
3. Proper conduct while on and off the playing field including the classroom.
4. Show respect for teammates, opponents, officials, coaches, and teachers, and other staff.
5. Respect the judgment of officials and exhibit fair play and sportsmanship.
6. Refrain from the use of profanity and other offensive language or gestures.
7. Adhere to the established rules and standards of the game to be played.
8. Respect all equipment and use it safely and appropriately.
9. Refrain from the use of alcohol, tobacco, illegal and non-prescriptive drugs, anabolic steroids, or any substance to increase physical development or performance that is not approved by the United States Food and Drug Administration, Surgeon General of the United States, or American Medical Association.
10. Win with character and lose with dignity.
11. The Coach, Principal, or District reserves the right to remove any player or potential player from the current athletic season for breaking any of these rules.

As a condition of participating in any sports at Litchfield Community Schools, students, parents, or legal guardians are expected to know and follow the school’s Athletic Code of Ethics as they pertain to eligibility and sports participation. The number one reason a student comes to Litchfield High School is to graduate not to play on a sports team. Be aware that participation in Litchfield High School’s sports team does affect class attendance as there are home and away games which remove students from class for most or part of their school day. It is the student’s responsibility to make up any assignments or tests that may be missed due to participation in sports. If the Principal or Counselor makes a determination that another class is more important towards graduation of the student, then that decision will prevail over the student playing on the team. By signing below, both the participating student athlete and the parents or legal guardians hereby agree that if any of the Code of Ethics are violated, it will result in the immediate removal from the sports class or team.
